PROCESS PARK, ANZERE, VALAIS ☀️ ❄️

The Prosess Park in Anzère is open during the winter and summer seasons. Bring your family, friends, students or colleagues and let Prosess take care of all aspects of the visit for you.

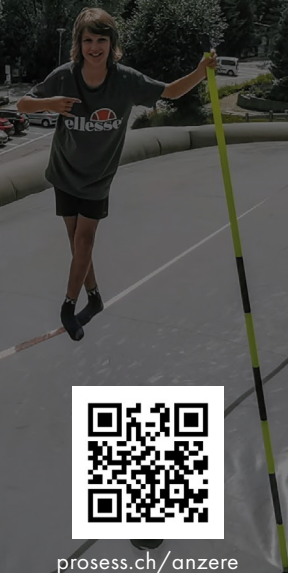

Outside the public opening times, the park can be reserved for groups and Prosess's staff will supervise and animate the session.

Activities for all ages

Centrally located, with nearby parking and toilets, the Prosess Park offers activities for all ages, including a BigAirBag®. In the winter, inflatable tubes as well as a ski & snowboard jump are available and in the summer, the park includes a slackline, trampolines, a ramp (for Rollerblade, scooter and bike) and a climbing wall.

TUBING SLIDE ☀️ ❄️

A tubing slide from Prosess is a fantastic way to provide fun and excitement at your event or party, or attract customers to your business' open-day

Our tubing slides can be used from 5 years of age, require no particular skills and are appreciated by children and adults alike.

Can be installed in the summer and winter

In the summer, our slides are constructed using innovative Neveplast NP30 dry ski slope material which simulates real snow conditions.

In the winter, depending on the installation location, our slides can make use of either the Neveplast material or natural snow conditions, when available.
